

## Annual Poster Artist Selection

Each year, one artist is selected by the Coupeville Arts and Crafts Festival Poster Art Committee to develop artwork for the festival. That artwork is used for all festival advertising media such as posters, ads, rack cards, our famous T-shirts and other miscellaneous articles.

If you are interested in being considered as the artist for 2008 or beyond, please send an e-mail message to The Coupeville Arts and Crafts Festival at [info@coupevilleartsandcraftsfestival.org](mailto:info@coupevilleartsandcraftsfestival.org). Your e-mail message should include:

- One photo file of a finished piece of artwork that utilizes the medium and style you would plan to use for the festival artwork.
- A brief statement about your desire to be considered and the best method for contacting you (e-mail, telephone, etc.).

Your submitted photo file and statement will be kept in the Coupeville Arts and Crafts Festival Association database for consideration each year unless you request to have it removed.

### **The limited criteria for choosing the Coupeville Festival Artist includes:**

1. Artists representing different styles and mediums from previous years.
2. Artists associated with the Coupeville Festival geographical region receive extra points in the decision process.
3. November is the decision month. January is the final artwork month. Selected artists are expected to submit completed artwork for the current year festival no later than January 15<sup>th</sup> of each year.

Additional questions about the artist selection process may be directed to Carol Bartelson Moliter, Coupeville Arts and Crafts Festival Poster Art Committee Chair at 678-0636.
